

# Foster Application

Are you looking to add to your life doing something to help make a difference? Bedford Humane Society is looking for caring responsible individuals to get involved with our organization! We are actively moving forward to build a shelter in our vacant lot and we need volunteers and board members to bring this long time dream to life! However, As of now our facility is foster-based. Meaning all animals in our care are housed in foster homes.

BHS is a nonprofit organization dedicated to eliminating the overpopulation of pets in Bedford County through education, spay/neuter programs, and stray animal adoptions. We are always looking for new volunteers and are delighted you are interested in helping out with our efforts.

If you feel like volunteering might be a better option for you, please also complete and send the volunteer Application: Upon approval a separate contract must be signed.

We understand this is a huge commitment but the work put in will bring amazing rewards. Thank you for your desire to become part of our dedicated group.
